## MESSAGE FROM THE CLUB PRESIDENT

This year is shaping up to be a good year for GVJMCC members. Track work has started with the introduction of more sand to the soil; the calendar is set for regular club days falling on the third weekend of each month. And we have secured some professional schools to attend through out the year giving everyone lots of opportunities to ride at our new complex.

Welcome back for another season of motocross. This year we hope to attract more new members to the club and give more opportunities to get involved. Introducing regular club days regardless of other racing commitments will mean we need more support from new members to offer their time to help club days run smoothly. If you're new to the sport please make your self known, if you need help on the day someone will be happy to show you the ropes, and please let us know if you can be involved to help out. Many hands make light work.

For those kids who have never obtained a license, we are also in the process of organizing a kick-start program to get their required five hours training signed off. We plan to hold the schools on 10<sup>th</sup> and 17<sup>th</sup> of March starting at 5pm. You can register your interest with Darren Sheppard on 0419 877 757.

Cheers Rob Starritt

GVJMCC President

### MEMBERSHIP

To renew your membership download the form off the club website and post in ASAP. Remember to enter any race meetings you must be a financial member of a club.  
[www.gvjmcc.org](http://www.gvjmcc.org).

### OTWAY OFF-ROAD MOTORCYCLE TOURS

For any off road enthusiasts have a look at [www.otwayoffroad.com](http://www.otwayoffroad.com) for further info on their upcoming events. They have plenty of rides and comps coming up in the next few months.

### GOOD LUCK!!!

We wish Brad Shaw, a former long time member of the club, good luck when he travels overseas to compete in the Road Racing series this season.

Also to Luke Lee one of our star juniors as he heads to the USA for a trip of a lifetime. As news comes to hand we will keep the website updated.

### New membership / licence card procedures

Motorcycling Australia (MA) and the State Controlling Bodies (SCBs) would like to advise of a change in procedure to the way that licences are issued to our members.

Previously, each type of licence has been issued separately, meaning that a member could hold multiple different licence cards with different licence numbers (eg an Official's Licence, a Coaches Licence and a Rider's Licence).

From 20 January 2010, all SCB's and MA will be issuing one membership card per member, which will have the details of all licences and accreditations that the member holds.

Each member will be issued their own unique member number which can be used to identify them regardless of how they participate in an event.

This new licence does not have a photo on it and is issued by MA not MV.

For further info log on to [www.ma.org.au](http://www.ma.org.au)
